MRS. BEVERLY ZIMMERMAN
WAVELAND, MISS.

PHONE HO-7454

Congratulations to Mr. and Mrs. Harry Lynch on the arrival of a seventh child and baby daughter on September 29th in Hancock General Hospital.

The baby weighed 9 pounds, 4 ounces.

The daughters of Louise and Harry will now be known as the seven sisters.

Happy birthday to Clarence Piazza who had his 6th birthday on October 1st.

A birthday party with all the trimmings was celebrated by the family for Clarence on Sunday afternoon.

Greetings to Aggie Bourgeois who celebrated her 17th birthday on October 4th.

Salutations are also extended to Mrs. Walter Turcotte Sr. who celebrated a birthday on October 5th.

Miss Brigit McMahon and Mrs. Isabelle Altmeyer spent the weekend at their home on Market St.

Mr. and Mrs. Royce Colby and sons were here for the weekend visiting Mr. and Mrs. Lawrence Colby.

Mr. and Mrs. Guy Drew and daughters, Mrs. Lydia Bourgeois, Mr. and Mrs. Morris Bourgeois, Mr. and Mrs. Wesley Bourgeois and son came over this weekend to attend the wedding of Lloyd Patrick Bourgeois and Judy Taconi on Sunday.

Mr. and Mrs. Lee Bourgeois are very happy to have their son Leland Bourgeois home on a 20 day leave from the U. S. Navy.

Mr. Roger Bordages returned from Baton Rouge, La., Monday night.

Mrs. Lydia Bourgeois who came over to attend the wedding of her grandson had a mishap Sunday that prevented her from attending. Mrs. Bourgeois twisted her ankle and fell from the steps at St. Clare's Church. She was taken to Hancock General Hospital and was very fortunate to have no broken bones. She returned home and was advised by the doctor to stay in bed for a few days. Hope she is feeling much better now.

Mrs. C. A. Brune is here on a visit and recuperating at the home of her daughter and son-in-law Dr. and Mrs. Olio Mollere.

Mrs. Olio Mollere and her mother Mrs. C. A. Brune and Mrs. Paul Loup plan to attend a Real Estate Seminar in Hattiesburg this week.

Attending the opening of the Center also were Mrs. Marcus Eichhorn, Mrs. Brown, Mrs. Louise Lynch, Mrs. Olio Mollere, Mrs. Brewster Mollere and Mrs. Bernice Plink.

Spending this weekend in their home in Clermont Harbor were Mr. and Mrs. E. T. Kreiger and daughter Janet of New Orleans.

Mr. and Mrs. Harold Jackson of Venice, La., spent this weekend visiting with Mrs. Jackson's parents, Mr. and Mrs. Rufus Lusch of Lakeshore.

Mr. and Mrs. Raymond LaCicero and family of New Orleans motored over Sunday to have dinner with Mrs. LaCicero's parents, Mr. and Mrs. A. C. Gervasis of Clermont Harbor.

The Gulfview Co-Op Club will meet at the Gulfview School to hold their regular monthly meeting at 7:30 p. m.

Like for you to explain why the Government is not bound by the above mentioned Federal Court ruling.

As a citizen and resident of the Buffer Zone, I am urging all my neighbors who are owners in the Buffer Zone to hold out for a fair, equitable price for their property, which apparently is being taken action in Court as our last resort. In order that my neighbors may be informed of this letter to the press and other interested parties.

SPAGHETTI SUPPER PRIZES

Mr. Clifford Baskin, general chairman of St. Joseph's Academy Parents Club's annual spaghetti supper, announced several entrance prizes will be given at the supper, among which are a plant arrangement, a gift certificate for a photograph, and a frame from Tippecanoe in New Orleans; a gift certificate for a photograph from Paris and Paris Studio; New Orleans; one from the Church Art Supply, New Orleans and several others. There will also be five entrance prizes for children, she added.

The supper will be from 5 to 9 p. m. Thursday, October 17, at the Knights of Columbus Hall.

Sorry about the mixup of names in last week's issue. It was Mrs. Roger Heitzmann who went to California and not Mrs. Robert Coleman.

Mrs. Dominick Sonier is in Hancock General Hospital for a check-up.

There will be a benefit luncheon card party held at the Parish Hall on Wednesday, October 9th. Tickets are on sale for \$1.00.

Gulf Coast Express, Inc. and V. A. Morealle want to thank the Waveland Fire Dept., Gerald Price, Jr., State Highway Patrolman Pope and Nancy Pernicaro for their help in putting out fire on company trailer early Wednesday morning.

LETTERS TO THE EDITOR

Box 162
Kila, Mississippi
October 1, 1963

D. A. Raymond
Colonel, Corps of Engineers
District Engineer
P. O. Box 1169
Mobile, Alabama

Dear Sir:

As a land owner in the Buffer Zone and a member of the Property Owners Committee, I would like to call your attention to the prices being paid to certain individuals in comparison to offers being made to others.

I wish to specifically cite the amount of Three Hundred and Seventy Thousand Dollars (\$370,000.00) paid to Mr. R. A. Scivique for a total of 59.25 acres including improvements on the basis of a deed of easement dated August 9, 1963, recorded in Book P-6, page 220, Deed Records of Hancock County, Mississippi.

In this connection, I wish to point out that I have been offered the Sum of Two Hundred Dollars (\$200.00) for a total of 40 acres based on an easement deed. I consider my land more desirable, much higher ground, for that reason more valuable than the above referenced property.

I further call your attention to the purchase of 9.14 acres from Miss Ethel Gex for the sum of Twenty Thousand and Two Hundred Fifty Dollars (\$20,250.00) on the basis of Warranty Deed dated February 18, 1963, recorded in Book O-9, page 392, Deed Records of Hancock County, Mississippi.

Again I would like to point out that the above tract is considered overflow land, while my land is much higher and more desirable to me and should be more valuable.

I am in a position to cite more discrepancies in many other transactions concluded under your direction in Hancock County. I would like to have a full explanation from you outlining the method used by your department in arriving at such varied prices and high inconsistent deals that have been made in acquiring this property for use by NASA.

I am writing this letter as an individual and for that reason, using only my personal property for comparison purposes, and I am not saying that the prices paid in the two cases are too high, merely that I am being mistreated.

I have been reliably informed that the Federal Courts have already held that the taking of an easement which prohibits habitation is equivalent of a taking in fee. Despite this, the Government, in complete defiance of this ruling, continues to offer ridiculously low prices, as low as \$300 per acre, while admitting that this is not the value of the land I would like for you to explain why the Government is not bound by the above mentioned Federal Court ruling.

As a citizen and resident of the Buffer Zone, I am urging all my neighbors who are owners in the Buffer Zone to hold out for a fair, equitable price for their property, which apparently is being taken action in Court as our last resort. In order that my neighbors may be informed of this letter to the press and other interested parties.

Yours Very Truly
ARTHUR MARSON

CELEBRATE 50TH WEDDING ANNIVERSARY

Mr. and Mrs. Phillip Adam celebrated their 50th wedding anniversary last Tuesday with open house in the afternoon at their Dunbar Avenue home.

Mr. and Mrs. Adam attended 7:30 mass in the morning with the Rt. Rev. Magr. James J. Hannon as celebrant.

Coming over for the occasion were their son and daughter-in-law - Mr. and Mrs. Joseph Adam of Little Rock, Ark., and their daughter Mrs. Marie Gueydan of New Orleans. Also with them for the celebration were their daughter, Mrs. M. J. Phillips Sr., and Mr. Phillips and their sons Gus and Sylvester Adam all of Bay St. Louis. Another son Van of Green Bay, Wisconsin, was unable to attend.

Mr. and Mrs. Adam were married September 24, 1903, in Our Lady of the Gulf Church. They have seven grandchildren and four great-grandchildren.

Mrs. Adam received their guests wearing a brown dress, matching accessories and a corsage of white carnations.

Arrangements of white mums and greenery decorated the table which held a two-tiered wedding cake trimmed with white roses.

A number of friends called during the afternoon to extend their best wishes.

UNDEFEATED BAY HIGH IN WIN OVER NORTH CENTRAL

Undeclared Bay High kept its spotless record intact Friday night by turning back Hancock North Central 28-12 in a Gulf Coast Conference football engagement.

It was the fourth victory in as many starts for the Tigers of Coach Lance Lumpkin. Bay High is the defending Gulf Coast Conference football champions.

Although the Tigers were victorious, one of their records was spoiled by the Hawks of North Central.

In three previous games the Tigers had scored 54 points while holding their combined opposition scoreless.

Bay High got off to a roaring start by scoring three touchdowns and a safety in the opening quarter.

Quarterback Johnny Penton passed 22 yards to end Billy Thomas for the first touchdown and the second one came on a 70-yard run by halfback Dick Watts.

The safety was recorded a short while later when Leslie

Blaise blocked a Hancock North Central kick and it rolled out of the end zone.

A 20-yard run by Stanley Burch accounted for the third touchdown, and Larry Adams kicked the extra point of the game to give the Tigers a 21-0 lead.

The Hawks got their first touchdown on the game's opening kick-off when quarterback Eddie Peterson took in the kick and raced 99 yards to paydirt.

A 45-yard run by Penton gave the Tigers their final score in the fourth quarter, and Leroy Luke

scored a 22-yard pass to end the game. Hancock North Central's final score was 12-28.

Bay High's final score was 28-12.

The safety was recorded a short while later when Leslie

Blaise blocked a Hancock North Central kick and it rolled out of the end zone.

A 20-yard run by Stanley Burch accounted for the third touchdown, and Larry Adams kicked the

WHY DOES GOD CARE?

We are so tiny in the vastness of space, so drab in the grandeur of nature. Why does God care about each one of us?

This question has always plagued the mind of man. It will probably never be completely answered to his satisfaction until he sees and believes the evidence of man's importance to God; *Thou hast made him a little lower than the angels.*

It remained for Jesus Christ to reveal the love of God. Sunday — World Communion Day — Christians will unite in the sacrament which is their richest experience of the glory and honor God has given.

The world over, men will rejoice in the Divine Love, so far-reaching, that God gave His Son for humanity.

Beautiful weather of the past week has been ideal for fishing and hunting and we are glad to report that good catches of fish and some doves made sportsmen happy.

Speaking of fish both fresh and salt water are being caught most anywhere. Up Pearl River way fresh water fish are being caught daily. The water is excellent and the cool tinge in the air is helping wonderfully.

Speckles are being caught up Jordan River by trolling and with both live and dead bait according to Carl Balkendofer who loves to catch fish and report what they are doing out his way on the river. Jim Kelly on Mulatto Bayou says speckles are really hitting in the Bayou from Bayou Coward to the mouth of Pearl River. Fly fishing is also good at the place. Cross Bayou runs from the East Pearl River to Mulatto Bayou. To get to Kelly's Camp, go west on highway 90 to about 1 mile from Pearlinton, turn left and follow your nose.

Jim has boats and live bait. He is a good guy to know if you want service and to catch fish.

From those who have been hunting doves they have been getting the limit if you know where to find them. Cooler weather has helped plenty.

Just a hint, while hunting doves respect the man who lets you hunt in his field. Watch out for his livestock, take care of his fences. Don't break them down.

Go to a gate to get in the field, rather than jump over the fence. These things and others will make him glad to have you come back. Be a real sport. Bring him some fish. They are hard to get up his way. Take the kiddies a little candy, it will leave a good taste in their mouth and his.

The following members of the Bay-Waveland Gun and Rod Club enjoyed a real fish fry Monday night at the American Legion Home. The fish was supplied by members and fried by Jake Morfalle. John Rutherford and Dec Elliott.

Jack Ladner, Alvin Genin, S. S. Payard, Jim Laroux, Willie Bourgeois, Patrick Toomey, Hugh C. Sanford, Bud Kimmel, Lacy Green, Harris Ladner, D. W. North Jr., Horatio Favre, Bob Givens, W. J. Cameron, T. Tudur, K. G. McFarly, Alden Mauffray, Warren Traub, Norman Benigno, Donald Caldwell, Bill Johnston, Robert Magee, Pat Garcia, August Raxut.

Dec Elliott, Buck Buchler, Chas. M. Fudge.

If you are not a member it will pay you to become one. The main requirements for becoming a member are:

MEMBERSHIPS: Eligibility. Prospective member should be in possession of current hunting and or fishing license; and dues should be paid yearly in advance as of June 30th of each year. It is also required that the names of any new members be submitted to the membership and to be accepted only by a two-third majority vote of the members present. Members should be in good standing to participate in the affairs of this organization.

DUES: For fiscal year 1963-64 will be \$2.00. Dues for subsequent fiscal year will be \$3.00. If a member fails to pay his dues within 30 days from June 30th he is automatically deleted from the membership. A member may be reinstated by following the necessary procedure as is required by a prospective member.

Officers of the club are Jack Ladner, President; Augustus Rauxel Vice President, and Alvin Genin, Secretary-Treasurer. Suppers and other entertainments are held at various times.

Charles M. Fudge left this week to be gone a few months.

Fudge, a Chief Engineer on an Ocean Liner, has traveled the world over and said he will catch up on fishing when he returns.

Lloyd Blount, manager of our local Yacht Club keeps us posted on fish being caught by members and where. He loves to do a little fishing himself.

Was a pleasure to meet Leo Ernst, a real fisherman and sportsman. Leo has a summer home on Highway 90 near Rigolets and visits relatives at Bay St. Louis where he enjoys his fishing. See you later Leo. His guest over the weekend was Larry Larman.

Sorry to hear of the illness of Joe Plunkett. Hurry and get well, Joe, we miss playing golf with you.

Members of the Pass Christian Golf Club enjoyed participating in a tournament held last Sunday. Prizes were awarded and a good time had by all.

Red fish are being caught up Jordan River at this time according to reports. Dead shrimp are the best bait.

Hard crabs are still plentiful and are being caught daily in traps and hand nets.

Ask Sheldon Seuzeneau how it feels to shoot par golf for six holes and then shoot 24 for the next three holes. We know how you felt Sheldon.

A fish fry was held at Compret's Bar Saturday night by a few friends. Tenderloin speckles and Wop Salad were on the menu plus a lot of fun.

John Dougher is at the Bay from Wisconsin visiting his par-

ents. He is on vacation and expects to do quite a bit of fishing while here. Now is the time, John.

Wm. Sheaffer of Waveland was telling us of the big red fish and flounders that got away.

Better check your fishing tackle. Bill. Big fish have no regard for anything.

The weather for the past week has been ideal, just cool enough. We sympathize with the folks of Los Angeles who had weather over the 100 mark this week.

Sorry to hear of the death of Leo Galt, Sr., last week. Mr. Galt was a gentleman of the old school, a real guy and sportsman. Sympathy to the family.

LOCAL SPORTSMAN

PERRE QUINTENI

No one loves his fishing better than Perre. He does every kind but prefers fly fishing. On any day off you will find him up some river, bayou or out in the marshes enjoying his favorite pastime. As a fishing partner he can't be beat. Don't eat fish says Perre. I only like to catch 'em. And he does.

LOCAL SERVICEMEN PARTICIPATES IN LANDING EXERCISES

KOREA (FHTNC) - Lucien A. Favre, boilerman third class, USN, son of Gilmore J. Favre of Washington Street, Bay St. Louis, Miss., serving aboard the attack cargo ship USS Union, recently participated in joint Army-Navy amphibious landing exercises on the beach of Pohang, Korea.

Dubbed "Bayonet Beach," the amphibious assault operation involved the Navy's Seventh Fleet units and the Army's Seventh Infantry Division. It started Aug. 29, when the attack transport USS Henrico, flagship of Commander Joint Amphibious Task Force, began loading assault troops at Inchon. At the same time, Union and four other Navy ships took on supporting equipment, vehicles and supplies needed for the landings.

Union's primary role in "Bayonet Beach" was transporting troops and supplies from Inchon to Pohang.

The successful assault landings demonstrated the combined efforts of the Army and the Navy in supporting the amphibious motto: "United We Stand."

Union normally operates out of San Diego, Calif.

STENNIS FIGHTS FOR STRONGER RURAL FARM HOUSING PROGRAM

WASHINGTON - Senator John Stennis, longtime friend and champion of an effective rural housing program for farmers, took his plea directly to the Senate floor. Stennis cited the outstanding record in Mississippi where he said "not one single penny has ever been lost on any of the loans to Mississippi farmers under this program."

Stennis declared, for clarification, "This is not a program of grants and give-aways by the Federal government. This is a loan program to fill a great need where local credit is not available. Every dollar loaned carries with it an obligation of repayment with an annual interest rate of 4 per cent."

Under the rural housing program, the Secretary of Agriculture is authorized to borrow money from the U. S. Treasury with which to make the loans.

A Stennis amendment to the bill would allow an increase of 25 million dollars in the total lending authority of the Farmer's Home Administration in order to accommodate a large backlog of loan applications from farmers and others in rural areas.

He said, in Mississippi alone there is a demand for two million dollars in loans each month for an indefinite period of time. At the end of August, there were 1141 loan applications pending in Mississippi.

Stennis called the rural housing loan program which began in 1949, "one of the most significant and beneficial programs ever adopted by the federal govern-

NEW SPECIES MAY REPLACE RYEGRASS ON WINTER LAWNS

STATE COLLEGE - Ryegrass makes a fine green lawn in the winter but it gives trouble in the spring. It keeps on growing so summer grasses have a hard time competing with it. For this reason turf grass research workers at the Mississippi Agricultural Experiment Station have been seeking a better winter lawn grass.

Eight cool season grasses were compared in the winter of 1961-62. Only four of them - three red fescue, Pennlawn, Illahee, and common; and chewing fescue - gave results comparable to ryegrass. none performed as well as ryegrass but the fescues did much less damage to the permanent sod.

More extensive tests were made in the winter of 1962-63.

W. R. Thompson, Jr., agronomist engaged in turf grass research at the Station summed up the two-year results as follows:

During both of these tests, ryegrass produced a turf more quickly than other species tested. However, varieties of creeping red fescue produced a turf that was only two to three weeks later than ryegrass. In the winter of 1962-63 when the low temperatures severely injured the ryegrass, Kentucky bluegrass and Illahee fescue survived with little injury. Kentucky bluegrass was slower in establishment than ryegrass or creeping red fescue and persisted later in the spring causing the permanent grass to lose quality.

"Earlier stands can be obtained by preparing the permanent grass for overseeding. Mowing the permanent grass at a height 1/2 to 3/4 of the regular mowing height just prior to overseeding produced earlier stands of all species. This type of mowing is the most practical and economical seedbed preparation method because very few homeowners have vertical mowing or topdressing equipment."

Lawn overseeding studies will be continued and various seeding rates of the cool season grasses will be studied during 1963-1964.

What is the greatest reason why high school girls drop out of school in Mississippi? The answer is early marriage.

Will the future be bright for these early marriages? Not as good as it could be if the girls finished high school or went on for further schooling or training.

Divorce is a bigger problem for those who do not complete high school. So are low incomes and unemployment. Then, too, some studies point out that those with less education have lower levels of living.

The Bureau of Labor predicts that girls in high school today will work outside the home at least 27 years, even with marriage and children. Those who marry before they finish high school will not be able to get as good jobs as those who graduate.

BLANKET CARE CUES

Fold sheets back several inches over the top blanket edge to protect the blanket from wear and soil.

Air blankets often to keep them light and fresh.

Wash or dry-clean blankets according to your personal choice. Use special care to prevent

shrinking when washing blankets containing wool.

AVOID ELECTRICAL SHOCK

Sticking your fork inside the toaster the next time that piece of bread won't pop up is a good way to let yourself in for a shocking experience. A better way is to fiddle with your radio while you're taking a bath.

You can avoid a lot of risk of shock, and even death from electrical appliances, by observing these rules.

Don't touch appliances or plug while you are in the tub, while your hands are wet. Always stand on a dry surface when you use appliances.

Unplug appliances if you must poke into them. Even then, be careful of heavy condensers, such as in a TV set.

In damp locations, ground appliances such as washers or dryers. Always ground portable electric tools, especially when used outside.

PLAN FOR A GOOD BREAKFAST

Breakfast is the most important

meal of the day. It sets the tone for the day and helps disposition. It is the best time for mental alertness. A good breakfast is not a luxury. It is a necessity. To assure your breakfast each day, head what you want. Things ready in the can, even the night.

Let's Elect Again Robert Frank Ladner

SUPERINTENDENT OF EDUCATION

HANCOCK COUNTY

TO THE VOTERS OF THE SEVEN PRECINCTS

CONTESTED BY MY OPPONENT

THESE ARE THE TRUE FACTS:

1. Robert Frank Ladner won honestly and fairly in the August 27th primary for Superintendent of Education by 9 votes according to the unofficial count by the managers at the various precincts. Other candidates were officially elected on the same ballots complained of in the election contest. With the exception of one man, all these candidates accepted the results of the election.

2. Robert Frank Ladner permitted the executive Committee to recount the votes without a court order because he wanted to be fair to his opponent. The Executive Committee declared Robert Frank Ladner the Democratic nominee by a 4 vote majority.

3. My opponent had his attorney to recount the votes for the third time and Robert Frank Ladner was still the winner; however, my opponent chose to contest the election and to have the Seven Precincts thrown out because of a legal technicality - the receiving manager also initialed some of the ballots.

4. These technical violations were honest mistakes made by laymen unfamiliar with technical requirements of the law. The managers, who are all reputable citizens, did an excellent job with the lengthy ballot, long hours of counting, and for small remuneration.

5. Robert Frank Ladner is leading by 157 votes, having at present 1665 votes to his opponent's 1508 in the remaining honored boxes.

6. Robert Frank Ladner carried Beat I, Beat II, Beat III, and Beat IV in the August 27th primary; thereby showing that a majority of the people where the County Schools are located WANT AND VOTED FOR A CHANGE.

7. Robert Frank Ladner is Educated and Qualified in every respect to lead the County Schools toward a better educational program.

8. Robert Frank Ladner will work to improve the curriculum, quality of instruction, accreditation and prestige of the County Schools.

TO ALL MY FRIENDS AND CITIZENS OF THE ENTIRE COUNTY, I would like to express my deep appreciation for the splendid vote of confidence given me in the past elections. Your vote, words of encouragement and other expressions of kindness to me and my family will never be forgotten. The experience of the past few weeks have made me more aware of the value of even one vote and the blessing of having friends such as you have been.

As stated in my platform, I pledged to conduct my campaign in a dignified and ethical manner and to show honesty, fairness and integrity in all my dealings with others. THIS PLEDGE I HAVE KEPT AND NOW REAFFIRM.

It is my belief that these qualities of character and principles of conduct ARE NOT old fashioned, obsolete ideas, but are a vital part of today's living. Anything less than this is unbecoming in any person of any profession, but especially one in the field of education.

As an overseas veteran of World War II, I fought for the privilege to live in a free country, where each person can achieve success to the limit of his abilities, find happiness through service to God and his fellowmen, and exercise his freedom of choice.

The children of the County Schools deserve an education comparable to the best available. Won't you help to make this possible for them by voting AGAIN for Robert Frank Ladner for your Superintendent of Education, on Saturday, October 5th?

Because of the attendant time, trouble, and additional expense to the taxpayer and voter, I deeply regret the necessity for a new election. The issues are the same; the candidates are the same; the election is the same. I am, therefore, fully confident that the voters, who have been disenfranchised by the technicalities raised by my opponent and including those who are disillusioned in my opponent will join to give me an overwhelming victory on this Saturday.

I earnestly solicit your vote and continued support based on my merits and qualifications.

Thank you for your assistance.

Sincerely

ROBERT FRANK LADNER

Nice Things Happen to Systematic Savers

Ever notice how it is with some families? They always seem to have the money to go off on the most exciting vacation trips, buy and furnish the nicest homes, give their children the best educations. Often the answer is not to be found in the size of their income, but in what they DO with it. By systematically saving part of it, they manage to have "what it takes" to enjoy the best things of life. If they save here (as many do) where their money earns interest.

Bourgeois-Taconi Wedding

Our Lady of the Gulf Catholic Church was the setting for the wedding Sunday afternoon of Miss Paula Taconi, daughter of Mr. and Mrs. Frank Taconi of Bay St. Louis, and Lloyd Patrick Bourgeois, son of Mr. and Mrs. Lloyd A. Bourgeois of Waveland, Miss.

The Rev. Michael Kelly performed the double ring ceremony. Vases of white gladioli and mums decorated the altar.

Professor Joseph Hemmrich, organist, played the processional and recessional during the ceremony.

Given in marriage by her father, the bride wore a full length gown of white peau de sole and lace. The fitted bodice was fashioned with a scalloped neckline, embroidered in seed pearls and sequins.

The long sleeves ended in points over the hands. The full skirt trimmed with lace ending in points swept to a small train in the back. Her finger-tip veil of silk tulle fell from a tiara of seed pearls and she carried a cascade of lilies of the valley, tuberoses and carnations centered with a white orchid.

The bride's twin sister, Mrs. Kenneth Stiefel, was matron of honor and bridesmaids were Misses Ruth Murtagh, Dorothy Netto and Carol Ann Bourgeois, sister of the groom.

They wore street length dresses of lavender taffeta and lace and had hands of matching taffeta with small veils. They carried lavender mums.

Terrell Bourgeois was his brother's best man, and groomsmen and ushers were Kenneth Stiefel, J. W. Olsen, Thaddeus Collier Jr., Leroy and Lee Ferrell.

A reception was held at the K. C. Hall immediately following the ceremony.

Mrs. Taconi selected for the occasion a beige faille suit and brown accessories. A corsage of cream colored cymbidium orchids completed her ensemble.

The mother of the groom wore a blue silk dress, black accessories and a pink sweetheart rose shoulder bouquet.

The bride's table, covered with a white lace cloth was decorated with white mums and fern. A four-tiered wedding cake topped with a bride and groom was in the center.

For traveling the bride chose a blue suit and black accessories with a white orchid corsage.

On their return from a wedding trip along the Gulf Coast, Mr. and Mrs. Bourgeois will make their home in an apartment on Necaise Avenue.

The groom, a graduate of St. Stanislaus, is employed at Jitney Jungle.

The bride is a graduate of Bay High School.
